

Alamance County Board of Commissioners
OUT OF STATE TRAVEL REQUEST AGENDA ITEM

TO: Alamance County Board of Commissioners

MEETING DATE: 03/2/20

FROM: Stacie Saunders

DATE SUBMITTED: 02/23/20

DEPT: Health Department

ISSUE/ACTION REQUESTED:

Request approval for out of state travel for Dr. Ibraheem Ackall, Linda Pinyatello, Angie Sloate and Courtney Newton to attend the American Academy of Pediatric Dentistry (AAPD) Annual Session 2020, in Nashville, TN, May 21 - 24, 2020.

BACKGROUND/PURPOSE OF REQUEST:

There are few local and regional pediatric continuing education classes, and those offered tend to repeat. AAPD is the only organization for pediatric dentistry. As a Pediatric Dentist, Clinic Manger, Billing Clerk and Appointment Clerk, it is necessary to stay up-to-date on new clinical procedures as well as innovative marketing, billing, scheduling and customer service information. The Dental Clinic is fully self-sustaining with clinic revenues and therefore no county funds are required for this training.
